Objectives of National PTA

- To promote the welfare of children and youth in the home, school, community and place of worship.
- To raise standards of home life.
- To secure adequate laws for the care and protection of children and youth.
- To bring into closer relation the home and the school, that parents and teachers may cooperate intelligently in the education of children and youth.
- To develop between educators and the general public such united efforts as well as secure for all children and youth the highest advantages in physical, mental, social and spiritual education.
